

CHECKLIST

This guidance document is to help companies understand the steps to prepare and complete the self-assessment. It is recommended that large companies begin these steps 1-2 weeks in advance to allow sufficient time to form your team and gather relevant data.

- 1. Designate a lead contact to fill in the assessment on behalf of your company. This person will lead on coordinating with other teams to gather relevant information, create and manage your company log-in to the WEPs Gender Gap Tool, complete the assessment online, and share results within the company.
- **2. Identify other team members** to contribute to the assessment process. The tool covers company policies and practices related to leadership, workplace, marketplace, and community. This means you might need information from colleagues in Procurement; Human Resources; Diversity and Inclusion; Corporate Social Responsibility; Marketing; Product and Research Development, and Community or Government Relations.
- **3. Prepare to take the assessment.** Prior to starting the assessment, download this pdf and share among your assessment team. Gather relevant data and reports to complete the assessment. Pilot companies reported an average of 2-3 hours to prepare to take the assessment.
- 4. Complete the assessment online. Use the information gathered by the assessment team to fill in the online assessment. Your answers will be saved as you go, and you can always come back and complete the assessment later. Pilot companies reported an average of 2-3 hours to complete the assessment.
- 5. Receive your results. The WEPs tool platform will produce a results document that can be downloaded and shared. You can also download your company's responses to all questions. Results include an overall score, as well as progress across different approaches to women's empowerment. We encourage you to review results as a team to discuss strengths and opportunities, and to develop an action plan.
- **6. Consult relevant resources** to strengthen your approach. The tool will point you to resources that can support you in taking next steps.
- **7. Revisit the tool** to measure your progress.

Thank you for using the WEPs Gender Gap Analysis Tool on behalf of your company and for taking this critical step to address women's empowerment!
